Superintendent's Office,
30. March, 1885.

Sir:

I have the honor to inform you that I received this day from the Bank of Baraboo, Wisconsin, a draft for $50.00 to be returned in cents.

They write me that they "cannot get the pennies in Chicago".

During our former suspension of the issue of these coins, such information was conveyed from many parties from different parts of the United States.

Will you be kind enough to refer the matter to the Treasurer of the United States. The Bank seems to be extremely anxious to get the coin as they desire me to hold
